The venue is also completely wi-fi enabled for full internet access. Our venue is completely open plan so you are never too far away from the action!

THE JAM HOUSE’S CORE VALUES:

- We support music that reflects the multicultural makeup of Birmingham
- We believe music is key to breaking down barriers within our community
- We will support young musicians with grassroots opportunities to hone their musical craft to a live audience
- We encourage participation of disabled & disadvantaged children and adults to be involved in music

OUR HISTORY

The unique Jam House concept began in 1999 as an amalgamation between Jools Holland and designer Neil Tibbatt. The partnership wanted to produce a night out which had elements of live music, fine dining, and good times.

The first Jam House venue opened in Birmingham on 23rd April 1999, featuring its support maestro – TV presenter and pianist, Mr Jools Holland. The Jools Holland big band rocked the place on the opening night and continues to make occasional appearances at this exiting and unique venue.

The Jam House has won many awards including being voted the Best Independent Venue two years in a row and the Best Venue for over 500 people by the Birmingham Musical Association! We have also been awarded a Safety and Community Partnership as we understand the importance of serving the local community.

LIVE MUSIC

The Jam House has been the host to a variety of high-profile acts including Chaka Khan, Hot Chocolate and of course Jools Holland and his Rhythm 'n' Blues Orchestra! Other famous faces that we are very proud to have featured include The Stylistics, Shakatak, Shalamar and of course, hundreds more

Here at the Jam House, we ensure that we have live music playing every single night we open our doors. On Friday and Saturday nights, the bands pack out our crowds to capacity appealing to people of universal backgrounds with their renditions of classic songs.

Weekdays are where we delve deeper into a broader array of musical styles and genres spanning from Gospel Choirs to Latin nights with salsa classes to Acoustic sessions where local up-and-coming musicians take to the stage!
