

Hi Everybody,

After months of lock-down, the Jam House is emerging from its hibernation and will now re-open on **Friday 4<sup>th</sup> September.**

With its brand-new restaurant and bar menu and some all new cracking cocktails to try, we are so excited to be seeing our old and new customers once again.

With a total deep clean and a ultra-safe strategy of social distance and table service, we will be opening initially every Friday and Saturday until we can open with our usual weekly program of live events.

Open 6pm til 1 am on Fridays and 12.30pm til 2 am on Saturdays.

**We are launching with our own version of the “Eat out to Help Out” offer through September. On Fridays throughout September, that’s half price meals – up to the value of £10 per person.**

Give our Bookings Team a call on 0121 200 3030 now.

Kind Regards,

The Jam House Team
